3 PRESIDING OFFICER: Good afternoon, everyone.  
4 Today's October 24th, 2022. It's approximately  
5 1:00 o'clock p.m., and this is the date and the time  
6 that's scheduled for the consolidated hearing in five  
7 dockets, and let me read these into the record.

8 First, Docket 22-057-13, the Application of  
9 Dominion Energy for an Adjustment to the Low Income  
10 Assistance/Energy Assistance Rate. Second, Docket  
11 22-057-14, the Application of Dominion Energy Utah to  
12 Amortize the Energy Efficiency Deferred Account  
13 Balance. Third, Docket 22-057-15, the Application of  
14 Dominion Energy Utah to Amortize the Conservation  
15 Enabling Tariff Balancing Account.

16 Fourth, Docket 22-057-16, Pass-Through  
17 Application of Dominion Energy Utah for an Adjustment  
18 in Rates and Charges for Natural Gas Service in Utah.  
19 And finally, fifth, Docket 22-057-17, the Application  
20 of Dominion Energy Utah for an Adjustment to the Daily  
21 Transportation Imbalance Charge.

22 My name is John Delaney, and I'm the  
23 commission's designated presiding officer for this  
24 hearing. Why don't we start with appearances.

25 MS. CLARK: I'm Jenniffer Clark. I'm counsel

1 for Dominion Energy, and I brought with me three  
2 witnesses from the Company: Jordan Stephenson, Jessica  
3 Ipson, and Jesse Jackson.

4 PRESIDING OFFICER: Thank you. Let's go with  
5 the Office since we're going in order.

6 MR. MOORE: Robert Moore of the AG's Office,  
7 representing the Office of Consumer Services. The  
8 office didn't participate extensively in these dockets  
9 and will not have a witness.

10 PRESIDING OFFICER: Okay. Thank you. For the  
11 Division?

12 MS. SCHMID: Thank you. Patricia E. Schmid  
13 with the Utah Attorney General's Office representing  
14 the Division of Public Utilities. The Division has  
15 three witnesses today. First, we have Rus Cazier,  
16 Shauna Benvegna-Springer, and Ryan Daigle. Mr. Cazier  
17 will be handling three of the dockets.

18 PRESIDING OFFICER: Thank you.

19 MS. SCHMID: Thank you.

20 PRESIDING OFFICER: Okay. Anything  
21 preliminarily that we should talk about, or should we  
22 just get going?

23 Okay. Please, Ms. Clark, why don't you call  
24 your first witness. Oh, I'm sorry. Let's go in order  
25 just to be clear, 13 through 17.

1 MS. CLARK: Perfect. Thank you.

2 PRESIDING OFFICER: Call your first witness,  
3 please.

4 MS. CLARK: The Company calls Jordan  
5 Stephenson.

6 PRESIDING OFFICER: Good afternoon,  
7 Mr. Stephenson.

8 MR. STEPHENSON: Good afternoon.

9 PRESIDING OFFICER: Do you swear to tell the  
10 truth?

11 MR. STEPHENSON: Yes.

12 PRESIDING OFFICER: Okay. Thank you.

13 MR. STEPHENSON: Thank you.

15 JORDAN STEPHENSON

16 having been sworn, testifies as follows:

18 DIRECT EXAMINATION

19 BY MS. CLARK:

20 Q. Mr. Stephenson, please state your full name  
21 and business address for the record, please.

22 A. Jordan Stephenson, 333 South State, Salt Lake  
23 City, Utah.

24 Q. And what position do you hold with the  
25 Company?

Page 6

1 A. Manager of regulation.

2 Q. Mr. Stephenson, the Company filed an  
3 application in this docket along with the accompanying  
4 Exhibits 1.1 through 1.3. Did you prepare those or  
5 cause them to be prepared?

6 A. Yes.

7 Q. And do you adopt the contents of those  
8 documents as your testimony today?

9 A. Yes.

10 MS. CLARK: The Company moves for the  
11 admission of the application and accompanying Exhibits  
12 1.1 through 1.3.

13 PRESIDING OFFICER: Any objections to the  
14 motion?

15 Okay. Motion granted or admitted.

16 MS. CLARK: Thank you.

17 Q. (BY MS. CLARK) Mr. Stephenson, can you please  
18 summarize the relief the Company seeks with this  
19 application?

20 A. Yes, I can. In this docket, the Company  
21 requests an adjustment to the low income assistance  
22 rate. This will result in an annual increase of \$.02  
23 for a typical customer and allow the program to  
24 maintain the funding level of \$1.5 million per year.  
25 The Company is also proposing to maintain the current

1 annual energy assistance credit at \$107 per qualifying  
2 customer per year, which would be credited to an  
3 estimated 15,700 participants during the upcoming  
4 heating season.

5 In addition, the Company proposes a  
6 contribution of \$751,000 -- \$751,147 to the Utah  
7 Department of Workforce Services Housing and Community  
8 Development Weatherization Assistance Program over the  
9 next 12 months. The proposed rates are just and  
10 reasonable and in the public interest. Therefore, the  
11 Company requests that the rates be approved going into  
12 effect on November 1st, 2022.

13 This concludes my summary.

14 Q. Mr. Stephenson, I believe I misspoke when I  
15 identified the number of exhibits. Did you cause also  
16 to be prepared DEU Exhibits 1.4 and 1.5?

17 A. Yes, I did.

18 Q. And do you adopt those also as your testimony  
19 today?

20 A. Yes.

21 MS. CLARK: The Company would move for the  
22 admission of those additional exhibits.

23 PRESIDING OFFICER: Any objection to that  
24 motion?

25 Okay. Motion is granted. They're admitted.

1 MS. CLARK: Thank you. Mr. Stephenson is  
2 available for cross-examination and hearing officer's  
3 questions.

4 PRESIDING OFFICER: The Office?

5 MR. MOORE: The Office has no questions.

6 PRESIDING OFFICER: Sure. Ms. Schmid?

7 MS. SCHMID: The Division has no questions.

8 PRESIDING OFFICER: Great. I have no  
9 questions either.

10 MS. CLARK: The Company has nothing further on  
11 this docket.

12 PRESIDING OFFICER: Okay. And, Mr. Moore, no  
13 witnesses; correct?

14 MR. MOORE: We have no witness. I'm  
15 authorized to state that the OSAS, consistent with his  
16 comments filed in this document, recommends that the  
17 PSE approve the proposal to transfer the surplus energy  
18 assistance program's funds to the low income weathering  
19 program's funds for the reasons contained in the  
20 application. Thank you.

21 PRESIDING OFFICER: Thank you, Mr. Moore.  
22 Ms. Schmid, do you have any witnesses on this docket?

23 MS. SCHMID: We do. The Division would like  
24 to call Russel Cazier. May he please be sworn?

25 PRESIDING OFFICER: Mr. Cazier, good

1 afternoon.

2 MR. CAZIER: Good afternoon.

3 PRESIDING OFFICER: Do you swear to tell the  
4 truth?

5 THE WITNESS: I do.

6 PRESIDING OFFICER: Okay. Thank you.

8 RUSSELL CAZIER

9 having been sworn, testifies as follows:

Page 10

1 Assistance Rates?

2 A. I have.

3 Q. Did you prepare or cause to be prepared and  
4 filed a memorandum dated October 19th, 2022, in both  
5 redacted and confidential form?

6 A. Yes.

7 Q. This docket -- or this action request response  
8 covers three dockets: 13, 15, and 16; is that correct?

9 A. Correct.

10 Q. Do you adopt this action request response  
11 insofar as it pertains to the docket ending in 13 as  
12 part of your testimony here today?

13 A. I do.

14 Q. Do you have a summary to present today with  
15 respect to the 13th docket?

16 A. Yes.

17 Q. Please proceed.

18 A. The Energy Assistance Program provides an  
19 annual credit for enrolled low income customers. In  
20 Docket 22-057-13, Dominion requests a rate change to  
21 collect the \$77,104 under collection in addition to the  
22 base approved amount of 1.5 million. The Company  
23 estimates that 15,700 qualified customers will apply  
24 for the credit and the request -- and requests to  
25 maintain the current credit of \$107 per customer.

Page 11

1           If approved independently, the effect of this  
2 change for the typical GS residential customer in Utah  
3 using 70 dekatherms per year will be an increase in  
4 their total annual bill of \$.02. The proposed change  
5 is in the public's interest and represents just and  
6 reasonable rates for Utah customers.

7           The Division recommends the Commission approve  
8 the requested rate change in this docket for the energy  
9 assistance as a final rate with an effective date of  
10 November 1st, 2022, as it is not subject to a Division  
11 audit.

12           This concludes my summary.

13           Q. Thank you. Could you please tell me how to  
14 pronounce your last name yet again.

15           A. It's Cazier.

16           Q. Cazier.

17           A. Yes.

18           MS. SCHMID: Mr. Cazier is now available for  
19 cross-examination questions and questions from the  
20 hearing officer.

21           PRESIDING OFFICER: Mr. Moore?

22           MR. MOORE: No questions. Thank you.

23           PRESIDING OFFICER: Thank you. Ms. Clark?

24           MS. CLARK: I have no questions. Thanks.

25           PRESIDING OFFICER: And I have no questions

1 either. Thank you very much.

2 MR. CAZIER: Thank you.

3 PRESIDING OFFICER: Okay. I think we can move  
4 on to the next docket, which is docket ending in 14.  
5 Ms. Clark, would you like to call your first witness?

6 MS. CLARK: I would. The Company once again  
7 calls Mr. Stephenson.

8

9 JORDAN STEPHENSON

10 having been sworn, testifies further as follows:

11

12 DIRECT EXAMINATION

13 BY MS. CLARK:

14 Q. Mr. Stephenson, I believe you are still under  
15 oath. I will remind you of that. Can you please state  
16 your name and business address once more for the  
17 record.

18 A. Yes. It's Jordan Stephenson. 333 South  
19 State, Salt Lake City, Utah.

20 Q. Mr. Stephenson, in the 14 docket that we are  
21 discussing at the moment, the Company filed an  
22 application along with accompanying Exhibits 1.1  
23 through 1.6. Did you prepare these documents or cause  
24 them to be prepared?

25 A. Yes.

Page 13

1 Q. And do you adopt their contents as your  
2 testimony today?

3 A. Yes.

4 Q. Mr. Stephenson, could you please summarize the  
5 relief the Company seeks in this docket?

6 A. Yes, I can. In this docket the Company seeks  
7 approval to adjust the energy efficiency rate in order  
8 to amortize the current energy efficiency account  
9 balance. As of August 31st, 2022, the deferred account  
10 balance amounted to a credit of \$1,356,478. With this  
11 adjustment to the rate, the Company will collect the  
12 necessary revenue while minimizing interest expense for  
13 customers and the Company.

14 If approved, this would result in a decrease  
15 of \$5.23 per year or .69 percent paid by a typical  
16 customer using 70 dekatherms per year. The proposed  
17 rates are just, reasonable, and in the public interest,  
18 and the Company requests that the rates be approved on  
19 an interim basis with rates going into effect on  
20 November 1st, 2022.

21 And this concludes my summary.

22 Q. Thank you, Mr. Stephenson.

23 MS. CLARK: The Company would move for the  
24 admission of the application and accompanying Exhibits  
25 1.1 through 1.6.

1           PRESIDING OFFICER: Thank you. Any  
2 objections? Mr. Moore? No?

3           MR. MOORE: No objections.

4           PRESIDING OFFICER: Ms. Schmid?

5           MS. SCHMID: No objections.

6           PRESIDING OFFICER: Okay. Motion granted.  
7 They're admitted.

8           MS. CLARK: Thank you. Mr. Stephenson is now  
9 available for cross-examination and the hearing  
10 officer's questions.

11          PRESIDING OFFICER: Any cross-examination?

12          MR. MOORE: No cross. Thank you.

13          PRESIDING OFFICER: Ms. Schmid?

14          MS. SCHMID: Nothing for the Division.

15          PRESIDING OFFICER: Nothing from me either.  
16 Thank you.

17          MS. CLARK: The Company has nothing further on  
18 this docket.

19          PRESIDING OFFICER: Wonderful. Thank you very  
20 much.

21          Ms. Schmid, do you have a witness for this  
22 Docket 14?

23          MS. SCHMID: Yes. The Division's witness is

A. Yes. Shauna Benvegenu-Springer, S-h-a-u-n-a, Benvegenu, B-e-n-v as in "Victor"-e-g-n-u-, dash Springer, -S-p-r-i-n-g-e-r.

Q. By whom are you employed?

A. I'm employed by the Utah Department -- Utah Division of Public Utilities.

Q. Your title?

A. My title is utility technical -- technical consultant.

Q. And your business address, please.

A. 160 East 300 South, Salt Lake City, Utah.

PRESIDING OFFICER: Let me interrupt for a second. I'm sorry. I didn't swear the witness.

MS. SCHMID: Oh, sorry.

PRESIDING OFFICER: That's okay.

Ms. Benvegenu-Springer, good afternoon.

1 MS. BENVEGNUM-SPRINGER: Good afternoon.

2 PRESIDING OFFICER: Do you swear to tell the  
3 truth here today?

4 MS. BENVEGNUM-SPRINGER: I do.

5 PRESIDING OFFICER: Great. Thank you. Please  
6 proceed.

7 Q. (BY MS. SCHMID) Ms. Benvegnum-Springer, did  
8 you participate in the preparation and filing of the  
9 Division's action request response dated October 19th,  
10 2022, in this docket?

11 A. I did.

12 Q. Do you adopt this response as part of your  
13 testimony here today?

14 A. I do.

15 MS. SCHMID: The Division would like to  
16 request the admission of its action request response  
17 dated October 19th, 2022, in Docket Number 057 --  
18 22-057-14.

19 PRESIDING OFFICER: Any objections?

20 MS. CLARK: No objection.

21 MR. MOORE: No objection.

22 PRESIDING OFFICER: Thank you very much. No  
23 problem here.

24 Q. (BY MS. SCHMID) Do you have a summary to  
25 present today?

1 A. I do.

2 Q. Please proceed.

3 A. On September 30th, 2022, Dominion Energy filed  
4 its application seeking Commission approval to amortize  
5 the energy efficiency deferred account balance,  
6 decrease the energy efficiency rate, and have the new  
7 rate effective November 1st, 2022. The current  
8 financial position of the energy efficiency program  
9 shows a credit, or negative balance, of 1.3 million,  
10 resulting from over-collection from ratepayers.

11 The objective was to calculate a new rate  
12 which will collect enough funds to cover the expenses  
13 but minimize the amount of interest paid by the  
14 Company. The account balance is intended to fluctuate  
15 above or below zero during the year with an intended  
16 net interest close to zero.

17 The Company provided two rate analysis  
18 scenarios: A, a rate with no change and, B, a rate  
19 decrease to 0.20321 cents. The Division conducted a  
20 third analysis scenario, C, a rate of 0.23000 that was  
21 in the middle. Scenarios A and C result in  
22 over-collecting and paying interest.

23 As proposed by Dominion, Scenario B should be  
24 the new proposed rate because over-collecting and  
25 under-collecting will be balanced. The proposed rate

1 decrease would minimize net interest for the effective  
2 period of November 1st, 2022, through October 31st,  
3 2023, to 0.

4 Based on the projected balances, the new  
5 proposed rate will help meet the financial goals of the  
6 energy efficiency program. The proposed energy  
7 efficiency amortization rate decreases from the current  
8 rate of 0.27767 to 0.20321 per dekatherm, or a decrease  
9 of \$0.07446 per dekatherm.

10 If the Commission approves this application,  
11 the typical residential customer who uses 70 dekatherms  
12 a year will see a reduction in their annual bill of  
13 \$5.23 or .67 percent independent of any other decrease  
14 or increase of any other natural gas rates.

15 The Division supports Dominion's request to  
16 amortize the energy efficiency deferred account balance  
17 and decrease the rate and recommends that the  
18 Commission approve the application on an interim basis  
19 until the Division completes a more thorough review and  
20 audit. Final recommendations will be provided later.

21 The proposed rate is in the public interest  
22 and represents just and reasonable rates for Utah  
23 customers. The Division reviewed the tariff sheets and  
24 recommended that the Commission approve the application  
25 as presented. The Division will continue to monitor

1 the overall program and individual measures to ensure  
2 that the public's interest continues to be served.

3 This concludes my summary. Thank you.

4 MS. SCHMID: Thank you. Ms. Benvegna-Springer  
5 is now available for cross-examination questions and  
6 questions from the hearing officer.

7 PRESIDING OFFICER: Thank you very much.

8 Mr. Moore, any questions?

9 MR. MOORE: No questions. Thank you.

10 PRESIDING OFFICER: Ms. Clark?

11 MS. CLARK: No questions here. Thank you.

12 PRESIDING OFFICER: Okay. And I don't have  
13 any questions either. Thank you very much.

14 MS. BENVEGNA-SPRINGER: Thank you.

15 MS. SCHMID: The Division has nothing further  
16 in this docket.

17 PRESIDING OFFICER: Okay. Let's go on to the  
18 next docket, which is the docket ending in 15.

19 Ms. Clark, do you have a witness?

20 MS. CLARK: Thank you. We once again call  
21 Mr. Stephenson.

22

23 JORDAN STEPHENSON

24 having been sworn, testifies further as follows:

5 pleasantries and instructions because I think we know  
6 who you are now.

7 I will ask you, however -- the Company filed  
8 in this docket an application with the accompanying  
9 Exhibits 1.1 through 1.5. Did you also prepare this  
10 application and accompanying exhibits, or did you cause  
11 them to be prepared by someone else?

12 A. Yes.

13 Q. Do you adopt their contents as your testimony  
14 today?

15 A. Yes.

16 MS. CLARK: The Company moves for the  
17 admission of the application and accompanying Exhibits  
18 1.1 through 1.5.

19 PRESIDING OFFICER: Any objections?

20 MR. MOORE: No objection.

21 PRESIDING OFFICER: Ms. Schmid?

22 MS. SCHMID: No objection.

23 PRESIDING OFFICER: Okay. Motion granted.

24 MS. CLARK: Thank you. Mr. Stephenson, can  
25 you please summarize the relief the Company seeks in

1 this docket?

2 A. Yes. In this docket the Company requests to  
3 amortize the conservation enabling tariff balancing  
4 account. Section 2.08 of the Company's tariff requires  
5 that the Company file a conservation enabling tariff  
6 amortization application at least annually with the  
7 Commission, and this filing meets that requirement.

8 As of August 31st, 2022, the Company -- the  
9 sorry.

10 As of August 31st, 2022, the balance in the  
11 balancing account was \$4,112,009. If approved, this  
12 would result in an increase of \$.81 or .11 percent paid  
13 by the typical customer using 70 dekatherms per year.  
14 The proposed rates are just, reasonable, and in the  
15 public interest. Therefore, the Company requests that  
16 the rates be approved with rates going into effect on  
17 November 1st, 2022.

18 And this concludes my summary.

19 MS. CLARK: Mr. Stephenson is available for  
20 cross-examination and hearing officer's questions.

21 PRESIDING OFFICER: Thank you, Mr. Stephenson.  
22 Mr. Moore, any questions?

23 MR. MOORE: No questions. Thank you.

24 PRESIDING OFFICER: Ms. Schmid?

25 MS. SCHMID: No questions. Thank you.

1           PRESIDING OFFICER: And I have no questions  
2 either.

3           MS. CLARK: The Company has nothing further on  
4 this docket.

5           PRESIDING OFFICER: Great. Thank you.  
6 Ms. Schmid, does the Division have a witness on this  
7 docket?

8           MS. SCHMID: Yes. The Division once again  
9 calls Mr. Cazier, and he is still under oath.

10          PRESIDING OFFICER: Thank you.

11

12                           RUSSELL CAZIER

13           having been sworn, testifies as follows:

14

15                           DIRECT EXAMINATION

16 BY MS. SCHMID:

17           Q. Mr. Cazier, previously we discussed an action  
18 request response that the Division prepared and filed  
19 in three dockets. The docket of interest presently is  
20 the one ending in 15, the amortization of the  
21 conservation enabling tariff.

22                           Did you prepare and cause to be filed this  
23 action request response in confidential and redacted  
24 form insofar as it pertains to docket ending in 15?

25           A. Yes.

Page 23

1 Q. Do you adopt the contents of this action  
2 request response insofar as it pertains to the docket  
3 ending in 15 as your testimony today?

4 A. I do. But I do have one typo in this portion.

5 Q. Could you please give us that correction?

6 A. Yes. The statement indicating the previous  
7 filing amount was 4.1 in the memorandum, and it should  
8 be 2.8 million.

9 Q. And --

10 A. It would be on page 12.

11 Q. And could you give us further direction?

12 A. Page 12. It appears to be line 4.

13 Q. Thank you very much. With that correction, do  
14 you adopt the contents of the action request response  
15 insofar as it relates to docket ending in 15?

16 A. Yes.

17 Q. Do you have a summary to present today?

18 A. I do.

19 Q. Please proceed.

20 A. The conservation enabling tariff rate is  
21 designed to allow Dominion to collect the Commission  
22 authorized revenue per customer. In Docket 22-057-15,  
23 Dominion requests to amortize the August 2022  
24 under-collected balance of 4.1 million. Their previous  
25 filing, which was 21-057-20, requested to amortize an

1 under-collected balance of 2.8 million.

2 If approved independently, the effect of this  
3 change for the typical GS residential customer using 70  
4 dekatherms per year will see an increase in their total  
5 annual bill of \$.81 or .11 percent. The proposed  
6 change is in the public's interest and represents just  
7 and reasonable rates for Utah customers. The Division  
8 recommends the Commission approve the requested rate  
9 change in Docket 22-057-15 as a final rate with the  
10 November 1, 2022, effective date, as it is not subject  
11 to a Division audit.

12 This concludes my summary.

13 Q. Thank you.

14 MS. SCHMID: Mr. Cazier is now available for  
15 questions from the parties and from the hearing  
16 officer.

17 PRESIDING OFFICER: Thank you. Mr. Moore, any  
18 questions?

19 MR. MOORE: No questions. Thank you.

20 PRESIDING OFFICER: Ms. Clark, any questions?

21 MS. CLARK: I have no questions. Thanks.

22 PRESIDING OFFICER: I have no questions  
23 either. Thank you.

24 MS. SCHMID: The Division has nothing further  
25 in this docket. Thank you.

1 application with the accompanying Exhibits 1.1 through  
2 1.8. Did you prepare or cause those to be prepared?

3 A. Yes.

4 Q. Do you have any corrections to those  
5 documents?

6 A. I do have one correction. If you would go to  
7 DEU Exhibit 1.5, page 1, on line number 3, column F,  
8 the 191 account balance for commodity costs -- that  
9 total should tie to footnote number 2. So that amount  
10 should be \$61,126,894. And then since that number  
11 changed, the total in line number 4, column F -- that  
12 total would be \$817,798,563.

13 And then the last correction on this sheet is  
14 footnote 4. It says prior proceeds docket number.  
15 That docket number should actually read 22-057-08.

16 Q. And with those corrections, do you adopt the  
17 contents of the application and the accompanying  
18 exhibits as your testimony today?

19 A. Yes.

20 MS. CLARK: The Company moves for the  
21 admission of the corrected application and accompanying  
22 Exhibits 1.1 through 1.8.

23 PRESIDING OFFICER: Thank you. Any  
24 objections?

25 MR. MOORE: No objections from the Office.

1           PRESIDING OFFICER: Ms. Schmid?

2           MS. SCHMID: None from the Division.

3           PRESIDING OFFICER: Okay. Thank you. Motion  
4 granted.

5           MS. CLARK: Thank you.

6           Q. (BY MS. CLARK) Ms. Ipson, can you please  
7 summarize the relief the Company seeks with this  
8 application.

9           A. Yes. In pass-through Docket Number 22-057-16,  
10 Dominion Energy respectfully asked the Utah Public  
11 Service Commission for approval of \$845,082,562 in Utah  
12 gas costs coverage. This represents an overall  
13 increase of 1 million -- oh, I'm sorry. Let me start  
14 over -- \$128,167,379. The components of this increase  
15 are, first, an increase of \$128,046,117 in commodity  
16 costs and, second, an increase of \$121,262 in supplier  
17 non-gas costs.

18           The increase being proposed in this filing is  
19 due to higher forecasted gas costs for the test period.  
20 This request includes updating the amortization of the  
21 commodity portion of the actual August 2022  
22 under-collected 191 balance of \$61,126,894 by a \$.53231  
23 per dekatherm debit surcharge.

24           RIN proceeds of \$139,370 were generated  
25 through the company's CNG station, decreasing the NGV

1 class commodity by a credit of \$.48096 per dekatherm.  
2 The Company is also requesting to continue to amortize  
3 the under-collected -- under-collected SNG costs of  
4 \$3,222,746 which leads to the debit amortization  
5 charges shown on Exhibit 1.5, page 6.

6 The cost of purchased gas was developed using  
7 forecasted gas prices by both S&P Global Platts and IHS  
8 Markit. The LNG facility will be placed into service  
9 during this test period. Those costs associated with  
10 LNG facility have been directly assigned to the FS and  
11 GS classes.

12 As the Division mentioned in their action  
13 response request dated on October 19th, 2022, the  
14 Company did meet with the Division and agreed to  
15 partially fill the LNG tank to have the potential  
16 withdrawal availability of this winter season of three  
17 to four days. At this storage level, it would also  
18 allow the Company to conduct operational testing of the  
19 new facility.

20 If this application is approved, a typical  
21 Utah GS customer using 70 dekatherms per year would see  
22 an increase of \$78.16 or a total annual increase of  
23 about 10.29 percent. These rates are just, reasonable,  
24 and in the public interest. Therefore, we request the  
25 rates proposed in Commodity and SNG be allowed to go

1 into effect on November 1st, 2022, on an interim basis.

2 MS. CLARK: Ms. Ipson is now available for  
3 cross-examination or Commission questions.

4 PRESIDING OFFICER: Thank you, Ms. Ipson.  
5 Mr. Moore?

6 MR. MOORE: No questions.

7 PRESIDING OFFICER: Ms. Schmid, any questions?

8 MS. SCHMID: No questions.

9 PRESIDING OFFICER: Okay. And I -- you've  
10 answered my questions. So thank you.

11 Okay. Why don't we go to -- why don't we go  
12 to the Division's witness on Docket Number 6 -- ending  
13 in 16.

14 MS. SCHMID: Thank you. The Division's  
15 witness in this docket is Mr. Cazier, once again, who  
16 has been sworn.

17

18 RUSSELL CAZIER

19 having been sworn, testifies as follows:

20

21 DIRECT EXAMINATION

22 BY MS. SCHMID:

23 Q. Mr. Cazier, in conjunction with your  
24 employment at the Division, did you prepare or cause to  
25 be prepared and filed the Division's action request

1 response dated October 19th in both confidential and  
2 redacted form insofar as it pertains to the docket  
3 ending in 16?

4 A. Yes, I did.

5 Q. Do you have any corrections to this response  
6 insofar as it pertains to that docket?

7 A. I do have one final correction, yes.

8 Q. Could you please direct us to that?

9 A. Yes. It would be on page 13, in which I  
10 indicated that the effective date -- I put a typo in  
11 there as 2023. It's on the second paragraph, line two,  
12 and that should be 2022.

13 Q. With that correction, do you adopt the  
14 contents of this Division action request response  
15 insofar as it pertains to the docket ending in 16 as  
16 part of your testimony here today?

17 A. Yes, I do.

18 MS. SCHMID: With that, the Division would  
19 like to move for the admission of its consolidated  
20 action request response in dockets ending in 13, 15,  
21 and 16.

22 PRESIDING OFFICER: So all three dockets?

23 MS. SCHMID: Yes, please.

24 PRESIDING OFFICER: Okay. Any objections,  
25 Mr. Moore?

1 MR. MOORE: No objections. Thank you.

2 PRESIDING OFFICER: Ms. Clark, any objections?

3 MS. CLARK: No objection.

4 PRESIDING OFFICER: Okay. Motion grand. They  
5 are all admitted.

6 MS. SCHMID: Thank you.

7 Q. (BY MS. SCHMID) Mr. Cazier, do you have a  
8 summary to present today?

9 A. I do.

10 Q. Please proceed.

11 A. In Docket 22-057-16, or the Pass-Through  
12 Application, Dominion requests approval to increase the  
13 commodity rates and charges for national gas service by  
14 128.1 million. The proposal increase -- the proposal  
15 includes an increase of 121,000 in the supplier non-gas  
16 portion of the rates and a \$128 million increase in the  
17 commodity portion of the rates.

18 As of August 31st, 2022, the commodity portion  
19 of the 191 account was under-collected by 61.1 million,  
20 and Dominion is proposing to establish a debt  
21 amortization of \$.53 per dekatherm to recover the  
22 under-collection.

23 The driving force behind the commodity price  
24 increase is higher forecasted natural gas costs for the  
25 test year ending October 31st, 2023. The filing

1 consists of cost-of-service gas from Wexpro, contract  
2 and market purchases, partial filling of the LNG  
3 storage tank, other additional storage, and  
4 transportation costs as well.

5 The projected cost is an increase of \$.66 per  
6 dekatherm in the cost-of-service gas and an increase of  
7 \$1.52 for the -- per dekatherm for contract and market  
8 purchase gas compared to June 1st, 2022, in the filing.  
9 This filing represents the second largest increase in  
10 natural gas costs this year and is directly related to  
11 the high market price of purchased gas.

12 At the LNG facility, its delayed completion in  
13 2022 has resulted in a later than anticipated start to  
14 filling the LNG storage tank. This delay will limit  
15 opportunities for the facility's use during the 2022,  
16 2023 heating season. The Division has expressed  
17 concern about the prudence of fully filling the LNG  
18 storage tank during this heating season while forecast  
19 prices are high.

20 The Division and the Company have discussed  
21 partially fueling approximately 30 to 40 percent of the  
22 LNG storage tank which would allow for three to  
23 four days of LNG withdrawal for any possible  
24 opportunities of need this season. The Company should  
25 continue to monitor the market price and use prudence

1 and good judgment in determining when to make market  
2 purchases to completely fill the new LNG storage tank.

3 If this filing is approved, the effect of its  
4 change for the typical GS residential customer using 70  
5 dekatherms per year will see an increase in their total  
6 annual bill of \$78.16 or approximately 10 -- or  
7 10.29 percent.

8 The Division has reviewed the Dominion's  
9 application and finds the proposed rate increase to be  
10 just and reasonable for Utah customers and recommends  
11 the Commission approve the rate changes as outlined by  
12 Dominion in this docket on an interim basis with the  
13 proposed effective date of November 1st, 2022.

14 This concludes my summary.

15 MS. SCHMID: Thank you. Mr. Cazier is now  
16 available for cross-examination questions and questions  
17 from the hearing office.

18 PRESIDING OFFICER: Thank you. Mr. Moore?

19 MR. MOORE: No questions. Thank you.

20 PRESIDING OFFICER: Ms. Clark?

21 MS. CLARK: I have no questions.

22 PRESIDING OFFICER: I have one question.

23 On the timing of the filling of the LNG  
24 facility, I thought I understood from Ms. Ipson's  
25 testimony that you guys had come to some sort of

1 agreement about how much it would be filled and when.

2 Did I -- did I misunderstand that concept?

3 MR. CAZIER: No. That was correct.

4 PRESIDING OFFICER: Okay. So Ms. Ipson's  
5 testimony was reflecting --

6 MR. CAZIER: We both spoke to the same  
7 amounts.

8 PRESIDING OFFICER: And it was a little more  
9 definitive about that an agreement has been reached on  
10 that?

11 MR. CAZIER: Yes.

12 PRESIDING OFFICER: Great. That's the only  
13 question I had. Thank you.

14 MS. SCHMID: The Division has nothing further.  
15 Thank you.

16 PRESIDING OFFICER: Okay. Then why don't we  
17 move to the final docket, which is docket ending number  
18 17.

19 MS. CLARK: The Company calls Jesse Jackson.

20 PRESIDING OFFICER: Good afternoon,  
21 Mr. Jackson.

22 MR. JACKSON: Good afternoon.

JESSE JACKSON

having been sworn, testifies as follows:

DIRECT EXAMINATION

BY MS. CLARK:

Q. Mr. Jackson, please state your full name and business address for the record.

A. My name is Jesse Jackson. My business address is 333 South State Street, Salt Lake City, Utah.

Q. What position do you hold with the Company?

A. I'm a regulatory specialist.

Q. Mr. Jackson, the Company has submitted an application with accompanying Exhibits 1.1 through 1.3 in this docket. Did you prepare those or cause them to be prepared?

A. Yes.

Q. Do you adopt the contents of those documents as your testimony today?

A. Yes, I do.

MS. CLARK: The Company moves for the admission of the application and Exhibits 1.1 through 1.3.

PRESIDING OFFICER: Any objection, Mr. Moore?

1 MR. MOORE: No objection.

2 PRESIDING OFFICER: Ms. Schmid?

3 MS. SCHMID: No objection.

4 PRESIDING OFFICER: Okay. Motion granted.

5 MS. CLARK: Thank you.

6 Q. (BY MS. CLARK) Mr. Jackson, please summarize  
7 the relief the Company seeks in this application.

8 A. Yes. In this docket, the Company requests an  
9 adjustment to the transportation imbalance charge to  
10 appropriately collect costs associated with managing  
11 imbalanced dekatherms transported on the Company's  
12 distribution system.

13 The proposed imbalance charge reflects costs  
14 borne by the Company to manage net imbalance dekatherms  
15 of transportation service customers divided by the  
16 imbalance dekatherms over the 5 percent tolerance  
17 threshold. The resulting imbalance rate of \$9.45 (sic)  
18 is 10 percent higher than the previous transportation  
19 imbalance charge. This charge will only be applied to  
20 transportation service volumes that differ from  
21 nomination volumes by more than 5 percent.

22 The transportation imbalance charge continues  
23 to serve its intended service and is just, reasonable,  
24 and in the public's interest. The Company requests  
25 approval of these interim rates effective November 1st,

1 2022.

2 And this concludes my summary. Thank you.

3 MS. CLARK: Mr. Jackson is available for  
4 cross-examination and hearing officer's questions.

5 PRESIDING OFFICER: Thank you. Mr. Moore, any  
6 questions?

7 MR. MOORE: No questions, thank you.

8 PRESIDING OFFICER: Ms. Schmid, any questions?

9 MS. SCHMID: I do have one for clarification  
10 purposes.

11

12 CROSS-EXAMINATION

13 BY MS. SCHMID:

14 Q. Mr. Jackson, is it possible that you provided  
15 a number in dollars when it should have been in cents?

16 A. That is very possible. It's -- let me see  
17 that -- the rate is -- yeah. Point 0 -- \$.945.

18 Q. Thank you very much.

19 A. Thank you.

20 PRESIDING OFFICER: Can we have the record  
21 reflect specifically where that is?

22 MR. JACKSON: The -- the new proposed rate is  
23 on Exhibit 1.1, column J, line 11.

24 PRESIDING OFFICER: Okay. Thank you. Does  
25 that align with what you see, Mrs. Schmid?

Page 38

1 MS. SCHMID: It does. Thank you.

2 PRESIDING OFFICER: Okay. Great. Thank you.  
3 Thank you, Mr. Jackson. I don't have any questions for  
4 you right now. So let's go to the Division's witness,  
5 please.

6 (Phone ring.)

7 MS. SCHMID: How embarrassing. Excuse me.  
8 Okay. I thought it was all on silent, but apparently  
9 if you have an alarm set, it rings through.

10 PRESIDING OFFICER: Time to wake up.

11 MS. SCHMID: So here we go. For this docket,  
12 the Division's witness is Mr. Ryan Daigle. May he  
13 please be sworn?

14 PRESIDING OFFICER: Good afternoon,  
15 Mr. Daigle. Do you swear to tell the truth?

16 MR. DAIGLE: Good afternoon. Yes, I do.

17 PRESIDING OFFICER: Thank you very much.

18

19 RYAN DAIGLE

20 having been sworn, testifies as follows:

21

22 DIRECT EXAMINATION

23 BY MS. SCHMID:

24 Q. Good afternoon. Could you please state and  
25 spell your name for the record.

Page 39

1 A. Ryan Daigle, R-y-a-n D-a-i-g-l-e.

2 Q. By whom are you employed?

3 A. The Division of Public Utilities.

4 Q. Your title?

5 A. Utility analyst.

6 Q. And your business address?

7 A. 160 East 300 South, Salt Lake City.

8 Q. In conjunction with your employment at the  
9 Division, did you cause the Division's action request  
10 response in the docket ending in 17 to be filed in both  
11 confidential and redacted form?

12 A. Yes.

13 Q. Do you have any changes or corrections to that  
14 action request response?

15 A. I do not.

16 Q. Do you adopt that action request response as  
17 your testimony here today?

18 A. Yes.

19 MS. SCHMID: With that, the Division would  
20 like to move for the admission of its confidential and  
21 redacted action request response in the docket ending  
22 in 17 in both confidential and redacted form.

23 PRESIDING OFFICER: Thank you. Any  
24 objections, Mr. Moore?

25 MR. MOORE: No objections from the Office.

1 PRESIDING OFFICER: Okay. Ms. Clark?

2 MS. CLARK: No objections.

3 PRESIDING OFFICER: Okay. Motion granted.

4 MS. SCHMID: Thank you.

5 Q. (BY MS. SCHMID) Do you have a summary to  
6 present today Mr. Daigle?

7 A. I do.

8 Q. Please proceed.

9 A. Thank you. The transportation imbalance  
10 charge was established to charge transportation  
11 customers for the supplier non-gas services which are  
12 being used on the company's natural gas distribution  
13 system. The calculation of this rate is based on the  
14 methodology approved in Docket 14-057-31 and is to be  
15 adjusted with each pass-through filing and in the  
16 general rate case.

17 This is the second adjustment in 2022. And  
18 with this -- and with this docket, the proposed  
19 adjustment represents a change from \$.08592 to \$.09449  
20 per dekatherm and is calculated based on the actual  
21 volumes of gas used by the transportation customers for  
22 the 12 months ending August 31st, 2022.

23 This rate applies to customers who are taking  
24 service under the transportation rate schedules and any  
25 amount collected as credited to GS customers through

1 the 191 account. This transportation imbalance charge  
2 rate does not impact all transportation customers and  
3 applies only when customers nominations are outside of  
4 a 5 percent daily tolerance limit. Transportation  
5 customers can minimize or entirely avoid the TIC  
6 through -- transportation imbalance charge -- through  
7 accurate daily gas nominations.

8 Based on our initial review, the Division  
9 believes that the requested changes and the resulting  
10 rates are just, reasonable, and in the public interest.  
11 The Division recommends that the proposed rate and  
12 changes be approved on an interim basis until a full  
13 audit review of the 191 account can be completed.

14 This concludes my summary. Thank you.

15 MS. SCHMID: Thank you very much. Mr. Daigle  
16 is now available for examination questions and  
17 questions from the hearing officer.

18 PRESIDING OFFICER: Thank you. Mr. Moore, any  
19 questions?

20 MR. MOORE: No questions. Thank you.

21 PRESIDING OFFICER: Ms. Clark, any questions?

22 MS. CLARK: I have no questions. Thanks.

23 PRESIDING OFFICER: I've got a quick question  
24 for you. So in preparation for this hearing, I was  
25 looking at some earlier dockets and transcripts, and

1 similar to this docket, there's been a concern  
2 expressed by the Division about the accuracy of the gas  
3 nomination processes and the impact of transportation  
4 customers on DEU's distribution system, and I think  
5 that's actually echoed on page 3 of the filing.

6 I just want to know, have you all had any  
7 discussions recently about this issue?

8 MR. DAIGLE: We have.

9 PRESIDING OFFICER: Okay.

10 MR. DAIGLE: But beyond that, we're going to  
11 sit down with the Company, review it, and determine  
12 what's going on --

13 PRESIDING OFFICER: Wonderful.

14 MR. DAIGLE: -- with those -- with those  
15 imbalances.

16 PRESIDING OFFICER: Okay. Is this your  
17 understanding?

18 MR. JACKSON: Yes.

19 PRESIDING OFFICER: Okay. Great. That's the  
20 only question I had. Thank you very much.
