Re: *Application of Dominion Energy Utah to Modify its Tariff to Address Meter Protection;*
Docket No. 22-057-T01

Dear Mr. Mendenhall:

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) February 18, 2022 Application and February 28, 2022 Motion to Update Exhibits A and B that propose revised Sections 8.01, 9.04, and Glossary of its Utah Natural Gas Tariff PSCU 500 ("Tariff"). DEU states the revised Tariff is consistent with the PSC's January 20, 2022 Order Approving Settlement Stipulation issued in Docket No. 21-057-24 ("Order"). The Division of Public Utilities (DPU) filed comments on March 1, 2022 and the Office of Consumer Services (OCS) filed comments on March 7, 2022.

DPU recommends the PSC approve the revised Tariff and comments that it complies with the PSC's Order and the Settlement Stipulation. OCS also recommends the PSC approve the revised Tariff, and comments it worked closely with DEU and DPU to draft the revised Tariff language, and that it also supports the February 28, 2022 update DEU submitted after consulting with the Utah Homebuilder's Association.

Based on the PSC's review of DEU's Application and DPU's and OCS's comments and recommendations, the PSC approves DEU's revised Tariff Sections 8.01, 9.04, and Glossary as updated on February 28, 2022, effective April 1, 2022.

Sincerely,

/s/ Gary L. Widerburg
