

Customer Survey Results

The Company asked residents of Genola to fill out a survey to determine the community regarding their interest in receiving natural gas service. The results of the survey are reflected in the map below. The survey began on 6/6/23 and will remain open through 2023 as long as residents continue responding. To date, the total number of respondents is 288; of which 252 replied with “yes” (shown below with green pinpoints), 16 with “no” (red pinpoints) and 20 with “unsure” (yellow pinpoints).
