Re: 23-057-17 *Application for Approval of the 2024 Year Budget for Energy
Efficiency Programs and Market Transformation Initiative*

Dear Mr. Widerburg:

On February 26, 2024, Dominion Energy Utah (Dominion Energy or Company) filed tariff sheets with the Public Service Commission (Commission) in accordance with the Commission's order issued on January 22, 2024. March 6, 2024, the Commission issued an Action Request to the Division of Public Utilities (Division) to review the tariff filing for compliance and make recommendations on the Company's filing.

On March 13, 2024, the Division filed its review with the Commission and recommended that the Commission "approve Dominion Energy Utah's 2024 Energy Efficiency (EE) Programs tariff compliance sheets upon receiving the redline (Legislative) version of pages 2-18, 2-19, 2-23, and 2-27, and the corrected version of pages 2-19, 2-23, and 2-27.

In agreement with the Division's recommendation, Dominion Energy respectfully submits the attached redline (Legislative) pages, 2-18, 2-19, 2-23, and 2-27, and the corrected version of pages 2-19, 2-23, and 2-27.

The attached Tariff sheets include changes associated with Docket No. 23-057-17 and are effective January 1, 2024. The sections impacted by these Tariff Sheets appear on pages 2-18 through 2-45. Pursuant to Utah Admin. Code §R746-405-2(D)(3)(g), the Company represents that the Tariff sheets do not constitute a violation of state law or Commission rule.

If you have any questions regarding this matter, please do not hesitate to contact me.

Very truly yours,

/s/ Kelly B Mendenhall
