Re: Docket No. 23-057-17 - *Dominion Energy Utah's Application for Approval of the 2024 Year Budget for Energy Efficiency Programs and Market Transformation Initiative*

Dear Mr. Mendenhall,

The Public Service Commission (PSC) reviewed Dominion Energy Utah's (DEU) February 26, 2024 and March 14, 2024 compliance filings of revisions to DEU's Utah Natural Gas Tariff No. 600 ("Tariff") including a redline (Legislative) version of the Tariff (the "Filing"), in accordance with the PSC's order issued on January 22, 2024. The Filing includes changes and requirements associated with Docket No. 23-057-17 and reflects an effective date of January 1, 2024.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on March 13, 2024. DPU comments that the PSC approved the added language to the Tariff and the transfer of equipment specifications for the dual-fuel heating systems from the Tariff to [www.ThermWise.com](http://www.ThermWise.com). DPU states that DEU agreed to immediately file a redline (Legislative) version of pages 2-18, 2-19, 2-23, and 2-27, as well as corrected pages 2-19, 2-23, and 2-27 of the Tariff. DPU recommends the PSC approve DEU's Tariff upon receipt of the above documents. On March 14, 2024, DEU filed with the PSC revised Tariff pages that meet the above requirements.

Docket No. 23-057-17  
Acknowledgment Letter from the PSC  
March 27, 2024

Based on the PSC's review of DEU's Filing and DPU's comments and recommendation, the PSC acknowledges the Filing complies with the requirements in the January 22, 2024 Order.

Sincerely,

/s/ Gary L. Widerburg  
PSC Secretary
