Ladies and Gentlemen:

This answer is unacceptable. You are not addressing the concerns I have raised in regard to the price being charged the residents of Utah for natural gas. Please take 30 seconds and read the spreadsheet I have attached. **It has since got worse since this was created.** Ladies and gentlemen, I will not go away on this issue, if need be, I will engage the services of an attorney in the expertise of utility overcharge. I am not going to go away on this issue until I get some straight answers as well as the Utah general public. You are either blind or choose to be in the pockets of the utility companies to ignore this.

Next step is to the media along with the attorneys. I can afford this, unfortunately many of our residents of Utah cannot. Govern yourselves accordingly. The offices of the Governor and the legislators will be alerted to this gross overcharge by Dominion.

I demand an in-person meeting with the Public Service Commission with answers.

Thank you.
