## Verified Response

**To:** Public Service Commission of Utah

**From:** Utah Division of Public Utilities

Chris Parker, Director

Brenda Salter, Assistant Director

Doug Wheelwright, Utility Technical Consultant Supervisor

Eric Orton, Utility Technical Consultant

**Date:** August 8, 2025

**Re:** **Docket No. 24-057-13**, In the Matter of the Application of Enbridge Gas Utah to Extend Service to Portage, Utah.

## Recommendation (Approve)

The Division of Public Utilities (Division) has reviewed the Request for Response issued by the Public Service Commission of Utah (Commission) on August 1, 2025 requesting a statement by August 8, 2025 either: “(1) Confirming that all terms of the Settlement Stipulation shall remain in full force and effect if the Request is granted; or (2) Disputing that all terms of the Settlement Stipulation shall remain in full force and effect if the Request is granted and provide an explanation as to the basis for that dispute.”

## Conclusion

The Division’s review of Enbridge’s Request for Review and Consideration of an Order to Proceed and its recommendation for approval in its July 9, 2025, Action Request Response referencing the amended pipeline route did not alter the Division’s support for the Settlement Stipulation as filed and as approved by the Commission on February 21, 2025. Therefore, the Division confirms that all terms of the Settlement Stipulation shall remain in full force and effect if the Request is granted and recommends the Commission issue an
