

SECOND ACTION REQUEST

Date: June 19, 2024

TO: Division of Public Utilities RESPONSE DUE BY June 24, 2024*

FROM: Public Service Commission REQUESTED EFFECTIVE DATE July 1, 2024

SUBJECT: Enbridge Gas Utah Tariff, Docket No. 24-057-T03
(Company Name, Case Number, etc.)

6/13/2024

24-057-T03

SUBMISSION OF CORRECTED EGU EXHIBITS 1.0 AND 2.0 Application of Enbridge Gas to Modify its Tariff to Reflect its Name Change

This is a request for the Division of Public Utilities (DPU) to provide analysis, evaluation results, and the basis for conclusions and recommendations regarding the following:

- Review for Tariff Compliance
- Review the Complaint and Indicate whether the DPU has a Recommendation
- Investigation
- Other – Explanation and Statement of Issues to be Addressed (See Below):

DPU's Action Request Response dated 6/18/24 did not address that Enbridge Gas Utah's 6/13/24 submission of Corrected EGU Exhibits 1.0 and 2.0 have actual and potential inconsistencies between them. Specifically, Exhibit 1.0 (the legislative copy) maintains on pages 8-1 to 8-22, 9-16 to 9-18, 10-1, and 11-1 to 11-10 a Dominion Energy logo which has not been stricken through in redline; however, Exhibit 2.0 nowhere reflects the logo on those pages. Thus, if Exhibit 2.0 is supposed to accurately reflect the changes from Exhibit 1.0, and the Dominion Energy logo is not redlined on Exhibit 1.0, then Exhibit 2.0 should have the Dominion Energy logo on pages 8-1 to 8-22, 9-16 to 9-18, 10-1, and 11-1 to 11-10, yet Exhibit 2.0 does not have such a logo. This actual inconsistency raises a question about whether there are any other inconsistencies between what is intended to be presented in Exhibit 1.0 as ultimately reflected in Exhibit 2.0. Please provide a recommendation as to how to reconcile and address these issues.

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
