Attorney for Enbridge Gas

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE APPLICATION OF ENBRIDGE GAS TO MODIFY ITS TARIFF TO REFLECT ITS NAME CHANGE	Docket No. 24-057-T03 SUBMISSION OF SECOND CORRECTED EGU EXHIBIT 1.0
---	--

Questar Gas Company dba Enbridge Gas Utah (Enbridge Gas or Company) respectfully submits the attached Second Corrected EGU Exhibit 1.0 and moves the Utah Public Service Commission (Commission) to strike Corrected EGU Exhibit 1.0 previously filed in this docket and replace with the second corrected exhibit attached hereto.

On June 3, 2024 the Company filed an Application in this docket seeking Commission approval of an updated Utah Natural Gas Tariff reflecting the Company's name change. As described in the Application, the Company is now known as Enbridge Gas Utah. The Company attached as EG Exhibits 1.0 and 2.0 an updated Utah Natural Gas Tariff reflecting that name change.

On June 13, 2024 the Company filed a Submission of Corrected EGU Exhibits 1.0 and 2.0. First, they included changes to rates in addition to a simple name change. Those changes are addressed in different concurrently-filed dockets and should not have been included in EG Exhibits

1.0 and 2.0. Second, EG Exhibits 1.0 and 2.0 also included incorrect Advice numbers and Section Revision references.

On June 19, 2024 a Second Action Request was issued addressing a Dominion Energy logo showing up on certain pages of the Legislative Enbridge Gas Utah Tariff in the Corrected EGU Exhibit 1.0, specifically pages 8-1 to 8-22, 9-16 to 9-18, 10-1, and 11-1 to 11-10.

The image was redlined in the code of the Word document however, did not show a red strike through in the Legislative version, Corrected EGU Exhibit 1.0. However, when all changes were accepted the logo didn't appear, which was correct in the Proposed version, Corrected EGU Exhibit 1.0. In order to correct this, the image was manually deleted from those pages, the Company respectfully submits the attached Second Corrected EGU Exhibit 1.0. That exhibit *only* contains the removal of the Dominion Energy logo on those specified pages. The Proposed Enbridge Gas Utah Tariff, Corrected EGU Exhibit 2.0 was not affected, no changes were needed on this exhibit. The Company requests that the Commission strike the filed Corrected EGU Exhibit 1.0 and replace with the attached Second Corrected EGU Exhibit 1.0.

DATED this 26th day of June, 2024.

Respectfully submitted,

Questar Gas Company dba Enbridge Gas Utah
