

Summary of Tariff Changes

The changes to the Tariff can be assigned to four categories as follows:

1. Changes required to eliminate outdated provisions and to clearly reflect current Company practices.
2. Movement or deletion of provisions or sections.
3. Clean up changes including rewording, referencing, punctuation, formatting and grammatical corrections that do not affect the meaning or applicability of the Tariff.
4. Substantive change explained in testimony.

The following summary provides a brief description of the Tariff changes along with the sections affected and the category of each proposed change.
