

Qualifications of Jordan Parks

Educational Background

I received a Bachelor of Science degree in Business from Virginia Tech University in 2020 and a Masters of Decision Analytics from Virginia Commonwealth University in 2023.

Current Responsibilities

I am currently employed by Enbridge Gas as a Regulatory Analyst III. I am responsible for cost of service and rate design analysis as well as other regulatory reports and compliance filings.

Prior Experience

I was hired by Dominion Energy in 2020 as a material specialist managing inventory and procuring materials for electric distribution and transmission. I joined the regulatory affairs department in 2021 and have assisted in the preparation of testimony and exhibits in several rate cases and other filings.
