

Requested by the American Natural Gas Council
Date of EGU Response: August 25, 2025

ANGC 2.05: Regarding EGU's Response to ANGC DR 1.18.e, the Company's Response references 1,150 TS customer accounts as of July 1, 2025, that were set up to have daily nominations of gas supply volumes that are made for the customer by a gas supplier. Please document by TS rate class the numbers of customer accounts as of July 1, 2025 that were **NOT** set up to have daily nominations of gas supply volumes that are made for the customer by a gas supplier.

Answer: A customer can be their own gas supplier. Currently, there is only one customer who is **NOT** set up to be nominated for by a gas supplier.
