

Requested by the American Natural Gas Council
Date of EGU Response: August 25, 2025

ANGC 2.23: Please identify each other gas distribution utility by jurisdiction known to EGU that applies an Administrative Charge to Transportation Service customers and all information available to the Company regarding the dollar magnitude of such Administrative Charges applied by each identified utility in each jurisdiction.

Answer: Under the Enbridge Gas Wyoming rate schedule, the Non-Core Interruptible Transportation Service (IT) is subject to an annual administrative charge of \$8,000 for each end-use site, billed in equal monthly amounts of \$666.67.
