Re: *Enbridge Gas Utah's Quarterly Integration Progress Reports for 2025;*
Docket No. 25-057-07

Dear Mr. Summers:

On November 4, 2025, Enbridge Gas Utah (EGU) filed with the Public Service Commission (PSC) its 2nd Quarter 2025 Integration Progress Report ("Report"). The PSC subsequently issued a Notice of Filing and Comment Period, requesting comments and reply comments on EGU's Report by December 5, 2025, and December 22, 2025, respectively.

On November 14, 2025, the Division of Public Utilities (DPU) filed comments recommending the PSC take no action regarding EGU's Report. On December 22, 2025, EGU filed Reply Comments, stating EGU reviewed DPU's comments and does not oppose the findings or recommendations therein.

Based on DPU's recommendation for the PSC to take no further action regarding EGU's Report, and EGU's assertion they do not oppose DPU's recommendation, the PSC will take no further action on EGU's 2nd Quarter 2025 Integration Progress Report.
