Re: *Enbridge Gas Utah's Quarterly Integration Progress Reports for 2025;*
Docket No. 25-057-07

Dear Mr. Summers:

On May 5, 2026, Enbridge Gas Utah (EGU) filed with the Public Service Commission (PSC) its 4th Quarter 2025 Integration Progress Report (the "Report"). The PSC subsequently issued a Notice of Filing and Comment Period, requesting comments and reply comments on EGU's Report by June 5, 2026, and June 22, 2026, respectively.

On June 1, 2026, the DPU filed comments recommending the PSC take no action regarding the Report. On June 19, 2026, EGU filed Reply Comments—along with a corrected exhibit resolving an inflation factor discrepancy identified by the DPU—expressing support for DPU's Action Request Response.

Based on DPU's recommendation for the PSC to take no further action regarding the Report, and EGU's assertion it supports DPU's recommendation, the PSC will take no further action on EGU's 4th Quarter 2025 Integration Progress Report.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
