Dear Mr. Betham:

*Re: 3rd Quarter 2025 Line Damage Report and 3rd Quarter Exempt Damage Report;
Docket 25-057-08*

Pursuant to the Final Order Approving Amended Confidential Settlement Stipulation issued on October 25, 2011 in Docket No. 11-057-05, Enbridge Gas Utah submits a copy of its Quarterly Line Damage Report detailing the "First Party, Second Party, and Third Party damage" to its facilities. As requested, this also includes a summary of exempt damages for the quarter. Enbridge Gas Utah submits a copy of its Quarterly Exempt Damage Report.

These reports are filed as confidential information pursuant to Utah Admin. Code § R746-1-602 & 603, *et seq.* Enbridge Gas Utah requests that this information be maintained as confidential and not be released to the general public because the attached reports contain sensitive and confidential information. The Company has marked the attached reports as "CONFIDENTIAL -- SUBJECT TO UTAH PUBLIC SERVICE COMMISSION RULES R746-01-602 AND 603" and submitted them on yellow paper pursuant to Utah Admin. Code § R746-1-601, *et seq.*

In the time since the last Quarterly Line Damage Report was filed, damage reports were adjusted in the previous quarter. Subsequently, the report for the third party damages have been changed in the 2nd quarter.

If you or your staff has additional questions concerning these reports, please call me.

Sincerely,

/s/ Austin C. Summers
