

## **Qualifications of Steven Wall**

### **Current Responsibilities**

In June 2017 I assumed my current position as a Gas Supply and Transportation Specialist. I am responsible for the gas supply forecasting and procurement, transportation imbalance management, review and reconciliation of contracts, invoices, and gas supply.

### **Experience**

I have been employed by the Enbridge family of Companies since 2008. I began working in the Gas Supply group in 2017. While in this group I have been responsible for leading the gas supply forecasting and procurement process ensuring adequate daily supply for forecasted demand. This includes providing support with the purchased gas section of the Integrated Resource Planning (IRP) process and presenting heating season purchase plan with the Public Service Commission of Utah. I support transportation customers in nomination and customer imbalance management within the Company's nominating system Quorum.

### **Educational Background**

I received a Bachelor of Science degree in Accounting from Utah Valley University in 2012 and a Master of Business Administration degree from DeVry University in 2016.
