Subject: Second Extension of Time Requested, Docket No. 25-057-T03

On May 29, 2025, the Utah Division of Public Utilities ("DPU") filed a second memorandum requesting additional time to review and analyze proposed tariff language modification of Enbridge Gas Utah ("EGU"), pursuant to the April 23, 2025 action request and the May 9, 2025 memorandum granting the first requested extension of time issued in this Docket. DPU represents it has been in discussions with EGU and EGU does not oppose this second extension request.

The PSC grants the second requested extension of the action request deadline from June 9, 2025, to September 30, 2025.
