BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

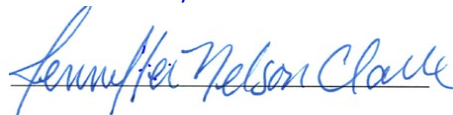

IN THE MATTER OF ENBRIDGE GAS UTAH'S INTEGRATED RESOURCE PLAN (IRP) FOR PLAN YEAR: JUNE 1, 2026 TO MAY 31, 2027	Docket No. 26-057-02 MOTION TO MODIFY SCHEDULING ORDER
--	--

On January 27, 2026, Questar Gas Company dba Enbridge Gas Utah (Enbridge Gas or Company) filed with the Public Service Commission (Commission) a Notice of Intent to file IRP and Request for Scheduling Order and Notice of Technical Conferences in this docket. On February 6, 2026, the Commission Issued a Scheduling Order and Notice of Technical Conferences (Scheduling Order). The Scheduling Order provided, among other things, that the Company would discuss “New Storage Options” in a Technical Conference on March 3, 2026. During the March 3rd Technical Conference, the Company discussed new storage options and indicated that it would provide additional information in a later technical conference. The Company had intended to include that additional information in the Technical Conference scheduled for May 5, 2026. Since that time, the Company has begun to prepare materials for the May 5th technical conference, and the volume of data intended to be presented does not permit time for a robust discussion of storage options.

Accordingly, the Company respectfully moves the Commission to modify the Scheduling Order to add a technical conference on May 26, 2026 at 10:00 a.m. for purposes of reviewing storage options. The Company will discuss responses to a recent Request for Proposal (RFP) for storage options, and requests that this technical conference include notice that all or a portion of the material provided will be treated as Confidential pursuant to Utah Admin. Code R746-1-600 *et seq.* to allow discussion about the responses to that RFP.

RESPECTFULLY SUBMITTED this 9th day of April, 2026.
