Formal Complaint of Richard Timothy Branscomb on behalf of Sierra West Diamonds Corp. against Enbridge Gas Utah	<u>DOCKET NO. 26-057-05</u> <u>ORDER GRANTING MOTION</u>
---	---

---

ISSUED: April 13, 2026

On March 12, 2026, Richard Timothy Branscomb on behalf of Sierra West Diamonds Corp. (“Complainant”) filed a Formal Complaint (“Complaint”) with the Public Service Commission (PSC) against Enbridge Gas Utah (EGU). On March 13, 2026, the PSC issued a Notice of Filing and Comment Period, providing EGU until April 13, 2026, to submit a written response to the Complaint, and allowing Complainant until April 28, 2026, to submit a written reply to any EGU written response.

On April 13, 2026, EGU filed a Joint Stipulation to Stay and Extend Response Deadline (“Joint Motion”).<sup>1</sup> The Joint Motion represents EGU and Complainant (“Parties”) are engaged in good-faith discussions and are pursuing informal resolution of issues raised in the Complaint. The Joint Motion asserts that the Parties believe that a limited stay of this proceeding will facilitate these efforts and may obviate the need for further proceedings before the PSC. Based on the foregoing the Parties jointly request that:

---

<sup>1</sup> Although the Joint Motion is dated April 10, 2026, the Joint Motion was initially filed with the PSC after business hours on Friday, April 10, 2026, then was subsequently “updated” and refiled on Sunday, April 12, 2026. Thus, pursuant to Utah Admin. Code R746-1-204, the Joint Motion has a filing date of April 13, 2026.

1. This proceeding be stayed for a period of thirty (30) days, or until May 13, 2026; and
2. EGU's deadline to file its responsive pleading to the Complaint be extended by thirty (30) days, or until May 13, 2026.

The Parties further represent that they will promptly notify the PSC if the matter is resolved during the foregoing stay period. However, the Joint Motion is silent on the deadline for Complainant's written reply to any written response by EGU if this matter is not resolved.

Accordingly, good cause appearing, and based on the representations in the Joint Motion, the Joint Motion is granted subject to the following: Complainant's written reply to any written response submitted to the PSC by EGU on or before May 13, 2026, shall be due fourteen (14) days after such EGU submission.

DATED at Salt Lake City, Utah, April 13, 2026.
