Docket No. 26-057-16

**PETITION TO INTERVENE OF THE
ENVIRONMENTAL DEFENSE FUND**

Pursuant to Utah Code Ann. § 63G-4-207 and Rule R746-1-108, Petitioner Environmental Defense Fund (“Petitioner” or “EDF”) hereby petitions for leave to intervene in this docket.

In support of this petition, Petitioner states as follows:

1. EDF is a national environmental nonprofit organization whose mission is to build a vital Earth for everyone by preserving the natural systems on which all life depends. Guided by expertise in science, economics, law, and business partnerships, EDF seeks practical and lasting solutions to address environmental problems and protect human health, including through ensuring equitable clean energy solutions and affordable access to reliable utility service. EDF has a strong interest in efficient use of ratepayer money and in minimizing pollution related to the production and use of natural gas.

2. EDF has over 1,800 members in Utah, many of whom are sales customers of Enbridge Gas Utah (“EGU”).

3. The legal rights and interests of EDF's members will be substantially affected by this proceeding.

4. EDF has not fully determined the specific positions it will take or the relief it will seek. EDF seeks to intervene for the purposes of protecting its interests and the interests of its members as they may appear, particularly on issues of relevance to EGU sales customers.

5. The interests of justice and the orderly and prompt conduct of this proceeding will not be materially impaired by allowing EDF to intervene.

6. Notices in this proceeding should be sent to the following:
