Attorney for Enbridge Gas Utah

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

IN THE MATTER OF THE ANNUAL CALCULATION OF THE THIRD-PARTY BILLING RATE AND REQUEST FOR TARIFF CHANGE	Docket No. 26-057-T02 VERIFIED APPLICATION
--	---

Pursuant to Utah Code Ann. § 54-4-1, and Utah Admin Code § R746-405-1 *et seq.* Questar Gas Company *dba* Enbridge Gas Utah (Enbridge Gas or Company) respectfully submits this Application to modify Section 8.08 of the Company’s Utah Natural Gas Tariff No. 800 (Tariff) to update the Company’s third-party billing rate, with an effective date of April 1, 2026.

On July 28, 2017, the Public Service Commission of Utah (Commission) issued an order in Docket No. 17-057-T04 approving the third-party billing rate. Section 8.08 of the Tariff explains how the third-party billing rates are calculated. Section 8.08 also requires the Company to calculate the per-line rate, and to file a letter with the Commission reflecting the rate, to be effective on April 1 of each year.

The Company has updated the calculation for the per-line rate for a minimum charge per bill and proposes to change the rate from \$0.19338 to \$0.21197. The Company also proposes to update the rate for all lines above eleven lines per bill from \$0.01758 to \$0.01927. See EGU

Exhibit 1.01 for the calculations. The updated third-party billing rates are reflected in the proposed legislative and final Tariff sheets, attached hereto as EGU Exhibits 1.02 and 1.03, respectively. At this time, no readily discernible market exists from which to derive a market price for billing for other entities.

This proposed Tariff change does not constitute a violation of a state law or Commission rule.

THEREFORE, Enbridge Gas respectfully requests that the Commission approve the proposed rate and resultant Tariff change with an effective date of April 1, 2026, in accordance with its rules and procedures, and the Company's Tariff.

DATED this 26th day of February, 2026.

Respectfully submitted,

ENBRIDGE GAS UTAH

Jenniffer Nelson Clark
Attorney for Enbridge Gas Utah
