In the Matter of the Application of QUESTAR)
GAS COMPANY to adjust rates for natural gas)
service in Utah)

DOCKET NO. 03-057-10

ERRATUM ORDER

ISSUED: October 1, 2003

By The Commission:

On September 30, 2003, an Interim Order was issued in this docket authorizing an annualized \$43,402,000 rate decrease for Questar Gas Company (the Company). That decrease amount was correct. However, the text of the order stated that the Company's request was for a \$43,951,000 decrease in gas costs. That number is also correct, but the order omitted that the Company's request also included an increase of \$549,000 in the supplier non-gas portion of rates. The net effect of the gas cost decrease, and supplier non-gas cost increase, is the \$43,402,000 decrease authorized by the Interim Order.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

The Interim Order issued September 30, 2003, is amended and clarified as set forth above.

Dated at Salt Lake City, Utah, this 1st day of October, 2003.
