ISSUED: March 2, 1998

By the Commission:

PROCEDURAL HISTORY

On December 12, 1997, QUESTAR GAS COMPANY (hereafter "Applicant") filed its application to continue in force its existing rates despite a change in its "balancing" account in favor of the ratepayers. Applicant based its application on the representation that the change in question would afford the average ratepayer, at best, a 7¢ per year saving. The Division of Public Utilities, Utah Department of Commerce, while inclining to agree with Petitioner, recommended a hearing to fully air the issues involved. Accordingly, we issue the following
