NOTICE OF HEARING

ISSUED: June 12, 2002

By The Commission:

On January 11, 2002, Questar Gas Company ("Questar Gas"), the Utah Division of Public Utilities ("Division"), and the Committee of Consumer Services ("Committee") attended a scheduling conference where the parties discussed issues in the above Docket No. 01-057-14. In addition, the parties discussed proposals regarding the Utah Supreme Court's October 23, 2001 decision and remand in *Questar Gas Co. v. Public Service Commission*, 2001 Utah 93, 34, P.2d 218, which was issued in connection with Docket No. 98-057-12. Since that time, the parties have discussed various alternatives for resolving these issues and have requested that a hearing be conducted by the Commission to discuss the parties respective recommendations. In addition to the Supreme Court's remand, the parties have indicated their desire to discuss all outstanding issues in Docket No. 01-057-14, which is Questar Gas's December, 2001 pass-through filing. Specifically, the hearing will address recovery of CO₂ processing costs consistent with the Supreme Court's remand, a proposed bad-debt expense adjustment as described in Questar Gas's application in Docket No. 01-057-14 and 191 Account tariff clarifications to be recommended by the parties.
