DOCKET NO. 99-057-10

ORDER DENYING REVIEW

-----

ISSUED: September 10, 1999

By the Commission:

PROCEDURAL HISTORY

Complainant above-named seeks review of our Order of August 23, 1999, dismissing his complaint. In his petition, Complainant quotes one part of § 54-7-20 and ignores the rest. The statute relates to services furnished in the ordinary course of a utility's business, which, in the case of Respondent, is furnishing gas. Pipeline relocation is not such an activity and is not included under Respondent's tariff.

Moreover, Complainant has still not shown that he is the actual party in interest in this matter.

For all the foregoing reasons, we enter the following ORDER WHEREFORE, IT IS HEREBY ORDERED that:

The petition for review of BRIAN SNELSON be, and the same hereby is, denied.

DATED at Salt Lake City, Utah, this 10th day of September, 1999.

/s/ Stephen F. Mecham, Chairman

/s/ Constance B. White, Commissioner

/s/ Clark D. Jones, Commissioner
