**Subject:** appeal to road closure

Dear Julie,

I am a citizen of Draper City and have just been informed of the pending road closure at 13200 S.1650 E. Could you tell me if individual citizens can appeal this decision, and what steps need to be taken?

I use to live right at 1601 E. 13200 S. and moved further east into one of the new developments ("if you can't beat 'em join 'em") and I am surprised that this change to the Master Plan is going to be allowed. The people in the Steeplechase subdivision that begins just east of 1700 E. (Highland Drive) and 13200 S. have not been informed regarding public hearings to close the road. Many citizens learned of the closure from an article printed in the South Valley Journal after the decision had already been made.

Thank you,
