ISSUED: October 30, 2006

By the Commission:

Notice is hereby given that a technical conference in the above-entitled proceeding, which the Commission designates as an informal proceeding pursuant to Utah Code 63-46b-4, will be held on **Thursday, November 9, 2006, 9:30 a.m. in the Fourth Floor Conference Room, #401**, Heber M. Wells State Office building, 160 East 300 South, Salt Lake City, Utah. As recommended by the recently established Public Utilities Regulatory Policy Act (PURPA) Amendment work group during the October 6, 2006, work group meeting, the purpose of this technical conference is to discuss the PURPA time-based metering and communications standard applicable to electric utilities enacted by the 2005 Energy Policy Act. Participants in the technical conference should be prepared to discuss the purposes of the standards, prior state actions addressing the standards and whether they can be considered comparable, costs and benefits associated with the standard, recommendations regarding adoption of the standards, and criteria and measurements to determine utility adherence to the standards if adoption is recommended.
