Subject: Opposed to Restrictions on Public Participation in PSC Hearings

Re: Proposed Changes to UAR 746-100

Dear Members of the Utah Public Service Commission:

We strongly urge you to block Questar's efforts to restrict the public's participation in rate cases or other matters requiring a formal hearing. Because history shows that Questar and other regulated utilities are not always particularly sensitive to the public's interest, the PSC should be vigilant in safeguarding the public's participation in these matters.

Sincerely,
Kate Lahey and Michael Lahey, M.D.
