

March 2, 2009

To the Public Service Commission.

How interesting that dialing the
801 for local calls took place
on Sunday. Frustration at dialing
801.

How interesting when I called the
PSC on Monday I was told
I would need to send in a
written complaint. On the other
hand if I had a complaint
about my service provider I
could do it over the phone.

I feel angry and frustrated
over this process.
