Subject: Fwd: Area codes

>>> "Dean Maycock" 2/11/2009 2:34 PM >>>
Dear Sir,

As your name is at the top of the list you get the email.

The current plan to "overlay" the area codes is at best a joke, at worst, I won't say it.

Please reconsider this poorly thought out plan.

I would prefer to change area codes than to have to use 10 numbers for every call.

Sincerely,
Dean Maycock
