UTAH PUBLIC  
SERVICE COMMISSION

Dear Rea Petersen,

I cannot believe Utah is going backwards in this automated age. I don't comprehend why we must dial ten digits to people in our own area code. That is preposterous and unnecessary.

I want to register my disapproval of this action.

\*Please direct me to where I can send my complaints\*... where they will be truly \*heard.\* No explanation has been afforded that makes logical sense.

Disgruntled,
