Re: PURPA Requirement -- Notification of Electric Utility for Which the Utah Public
Service Commission has Ratemaking Authority, Docket No. 08-999-05

Dear Mr. Mansueti:

The Utah Public Service Commission has reviewed the U.S. Department of Energy's list of covered utilities, dated August 2008, which identifies electric utilities in Utah subject to the Public Utility Regulatory Policies Act ("PURPA") of 1978. This list is found at the following link: http://www.oe.energy.gov/DocumentsandMedia/PURPA_2008.pdf.

As required by 16 U.S.C. § 2612(c), this letter serves to notify the U.S. Department of Energy that PacifiCorp is the only electric utility on the list indicated above for which the Utah Public Service Commission has ratemaking authority.

Please feel free to contact Carol Revelt at 801-530-6711 if you have any questions or need additional information regarding this notification.

Sincerely,

Julie Orchard
Commission Secretary
