DOCKET NO. 08-999-05

NOTICE OF TECHNICAL  
CONFERENCE

ISSUED: December 23, 2008

By The Commission:

Notice is hereby given that a **Technical Conference** will be held in the above-entitled matter, which the Commission designates as an informal proceeding pursuant to Utah Code 63-46b-4, on **Wednesday, January 14, 2009, at 1:00 p.m.** with the Commission in Room 401 on the Fourth Floor of the Heber M. Wells Building, 160 East 300 South, Salt Lake City, Utah.

As recommended during the November 5, 2008, technical conference on the same matter, the purpose of this technical conference is to discuss the new integrated resource planning standard applicable to electric utilities (Title 16 U.S.C. 2621(d)(16)) enacted by the 2007 Energy Independence and Security Act (“EISA”). Participants in the technical conference should be prepared to discuss the purposes of the standard, prior state actions addressing the standard and whether they may be considered comparable, recommendations regarding adoption of the standard, and criteria and measurements to determine utility adherence to the standards if adoption is recommended. Information on the 2007 EISA and this Standard can be found in Section 1 through 3 of the “Reference Manual and Procedures for Implementation of the

“PURPA Standards” in the Energy Independence and Security Act of 2007” at the following link: <http://www.naruc.org/Publications/EISStandardsManualFINAL.pdf>

Individuals wishing to participate by telephone should contact the Commission at (801) 530-6716 or toll-free 1-866-PSC-UTAH (1-866-772-8824) at least two days prior to the Conference to make arrangements. Participants attending by telephone should then call the Public Service Commission five minutes prior to the beginning of the Conference to ensure participation.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during the Conference should notify the Commission, at 160 East 300 South, Salt Lake City, Utah, 84111, (801) 530-6716, at least three working days prior to the Conference.

DATED at Salt Lake City, Utah, this 23<sup>rd</sup> day of December, 2008.

/s/ Julie Orchard  
Commission Secretary  
G#60182

**APPENDIX A**

**Docket No. 08-999-05:** In the Matter of the Consideration of the Amendment of Title 16 U.S.C. 2621(d) and the Addition of Title 42 U.S.C. 6344 by the U.S. Energy Independence and Security Act of 2007

**PURPA Retail Electric Standard 16 – Energy Efficiency and Integrated Resource Planning  
Technical Conference Agenda and Issues List  
January 14, 2008 – 1:00 p.m. to 3:00 p.m.  
Heber Wells Building Room 401**

- I. Purpose: To determine a process for implementation of the Fossil Fuel Generation Efficiency Standard as previously adopted in this docket and to discuss issues associated with the Fossil Fuel Generation Efficiency Plan (“Plan”) contents, tracking, and reporting.
- II. Introductions
- III. Review of the Standard and the Commission’s Determination
- IV. Discussion of goals, scope of work and options for completion
- V. Issues List:
  - a. Purpose of the Plan
  - b. Plan location, content, and supporting data/information/analyses
  - c. Discussion of 2007 IRP Figure 7-34 and supporting/underlying data
  - d. Plan monitoring, results and methods of communication:
    - i) IRP including discussion of 2007 IRP Figure 7-34 and supporting data;
    - ii) FERC Form 1 – including sources and calculations underlying data
    - iii) Semi-Annual Report – forward looking vs. actual net power cost study
    - iv) Forward-looking heat rate trends vs. actual
  - e. Measurement of efficiency
  - f. Other issues.
- VI. Conclusions and further scheduling
