Re: Docket No. 08-999-05 - Recommendation on Home Energy Reports

On December 17, 2009 in the above referenced docket, the Commission directed the DSM advisory group to review the concept of a “home energy report” and provide a recommendation to the Commission whether such a report is appropriate for Rocky Mountain Power’s Utah service territory. The enclosed report is provided pursuant to this direction. An original and five (5) copies of this report are provided with this filing.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
