Subject: Underground Facilities Damage Dispute Board Meeting

Board Members and participants: I appreciate the willingness of many of you to attend a meeting of the Underground Facilities Damage Dispute Board scheduled for Thursday, May 14, 2009 at 9:30 a.m. at the Heber M. Wells Bldg. 4th floor, 160 East 300 South, Salt Lake City, Utah 84111 in Room 401. The purpose of the meeting was to discuss two cases, and I have attached the request by Rock Images and Randy Marriott Construction for your review and consideration prior to the meeting. I understand that several of you were unable to open the Bountiful Power attachment, so I have re-saved it in a different Word version, so hopefully all will be able to open it for review. The committee has five members, and some members are now unable to attend on May 14th so I am proposing an alternative date to meet, determine procedurally how to move forward and arbitrate the two cases. I am proposing Thursday, June 18, 2009 at 9:30 a.m. I expect the meeting to last an hour or 1 1/2 hours. If you have any problems with this date and time, please let me know. Since it is now summertime, if this date and time don't work, perhaps we should schedule a phone conference so we can hold a scheduling meeting to determine a date that will work. The statute requires that three board members be present to hear the discussion, and at least four members cast votes to determine the outcome. If the proposed date works, you can park across the street from the Heber Wells Bldg. in the Broadway Theater Parking, and we will validate your parking. If you have any questions, please don't hesitate to contact me. Thanks. JPO
