EXPLANATION AND STATEMENT OF ISSUES TO BE ADDRESSED: On February 1, 2010, Rocky Mountain Power filed standard form agreements for electrical interconnection. Please review this filing to determine compliance with the draft Electrical Interconnection rule (R746-312) published by the Commission on January 1, 2010, in this docket.

Also, please provide any recommended improvements to the documents or identification of barriers/potential problems identified through the review. The draft rule will be made effective in late April 2010.
