Re: Self-Direction Credit Program Administrator Annual Report for 2007, 2008 and  
2009 program years

Provision of Service No. 6 in Rocky Mountain Power (Company) Schedule 192 (Self-Direction Credit Program) requires the Self-Direction Administrator to file annual reports with the Commission and Company regarding the program's performance. Nexant, Inc, an energy industry services firm, administers the Self-Direction Credit Program for the Company. Per Schedule 192 Provision of Service No. 6, annual reports are to contain an accounting of credits issued, energy and demand savings acquired and expenses incurred through the program.

Pursuant to Provision of Service No. 6, Nexant has provided Rocky Mountain Power with the attached report, which summarizes program activities for calendar years 2007, 2008 and 2009. It was recently discovered that program reports for 2007, 2008 and 2009 had not been filed with the Commission on an annual basis. Accordingly, Rocky Mountain Power is providing the attached report, which summarizes program years 2007, 2008 and 2009 collectively, to the Commission at this time.
