Docket No. 10-999-01

Re: **June 2010 Semi-Annual Report, Net Power Cost Detail Report**

Along with its semi-annual Results of Operations Report, the Company has traditionally provided a detailed report of normalized net power costs including unit costs of individual resources. The Results of Operations Report continues to contain summary net power cost information, however, the unit cost information for certain contractual resources should remain confidential. Enclosed with this letter I am providing a confidential copy of the net power cost detail report for your information, separate from the non-confidential Results of Operations Report.

It is respectfully requested that this detailed information remain confidential. If you have any questions, please contact me at (801) 220-4743 or Dave Taylor at (801) 220 - 2923.

Sincerely,

Steven R. McDougal
