**Re: June 2010 Semi-Annual Report, Wind Resources Report**

Along with its semi-annual Results of Operations Report, the Company originally provided PacifiCorp's June 2010 Semi-Annual Wind Resources Report. This report was provided in compliance with the Commission's final order in Docket No. 07-035-93, and includes the name, nameplate capacity, actual generation and actual capacity by month for each wind resource. Such monthly information should remain confidential. The Company respectfully requests that recipients of the Results of Operations Report remove and destroy page 5.2.4 which contains the detailed wind resource information. Enclosed with this letter I am providing a replacement page 5.2.4 and a separate confidential copy of the Wind Resources Report.

It is respectfully requested that this detailed information remain confidential. If you have any questions, please contact me at (801) 220 - 2923.

Sincerely,

Dave Taylor  
Manager, Utah Regulatory Affairs
