SUBJECT: Lifeline Reimbursement for All West Communications, Inc

RE: Docket 10-999-04

The Division has reviewed and conducted a desk audit of the Semi-annual report of All West Communications, Inc., pursuant to Rule R746-341-7(A), for the period of July 1, 2010 to December 31, 2010. The Division finds that the amounts claimed are reasonable and justified. The desk audit included a review of the amounts and numbers submitted on the invoice, a comparison to previous reports and discussions with the companies involved.

The company did not request reimbursement for administrative, advertising, voucher and other program expenses. The company did not request reimbursement for interest lost on the foregone revenue. No outreach efforts were reported due to the agreement with the Division of Community & Culture and the Division of Public Utilities.

The Division, therefore, recommends that the Commission disburse from the Universal Service Fund the amount equal to discounts granted in the **amount of \$2,506.00 to All West Communications, Inc.**
