SUBJECT: Lifeline Reimbursement for Central Utah Telephone, Skyline Telecom & Bear Lake Communications

RE: Docket 10-999-04

The Division has reviewed and conducted a desk audit of the Semi-annual Lifeline Report and Request for Reimbursement of Central Utah Telephone, Skyline Telecom & Bear Lake Communications, pursuant to Rule R746-341-7(A), for the period of July 1, 2010 to December 31, 2010. The Division finds that the amounts claimed are reasonable and justified. The desk audit included a review of the amounts and numbers submitted on the invoice, a comparison to previous reports and discussions with the companies involved.

The administrative, advertising, voucher and other program expenses are based on \$60.00 per month for Central Utah Telephone & Skyline Telecom. The administrative, advertising, voucher and other program expenses are based on \$30.00 per month for Bear Lake Communications. Interest accrual amounts on Lifeline and Linkup funds were not request to be reimbursed. No outreach efforts were reported due to the agreement with the Division of Community & Culture and the Division of Public Utilities.

The Division, therefore, recommends that the Commission disburse from the Universal Service Fund the amount equal to program expenses and discounts granted in the amounts of **\$6,306.50 to Central Utah Telephone, \$4,815.50 to Skyline Telecom and \$544.00 to Bear Lake Communications.**
