**EX PARTE REPORT AND REQUEST  
FOR EXTENSION OF TIME**

Docket No.: 11-888-01

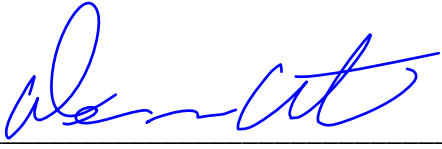

---

This matter is before the Commission upon the Petition of Anderson Geneva and Vineyard Town in regard to a crossing located at approximately 400 North Vineyard Road, Vineyard, Utah. Anderson Geneva, one of the Petitioners, hereby reports that it has been conducting meaningful settlement discussions and conferences with both Utah Transit Authority and Union Pacific Railroad in regard to the crossing. Recently, a Memorandum of Understanding was reached with Union Pacific Railroad indicating genuine progress towards a complete and full resolution of this matter. Based upon the Memorandum of Understanding, Anderson Geneva requests on its own behalf, and on behalf of the other parties, for an additional extension of time for 60 days to continue efforts to conclude this matter, along with the matter of the appeal in the Utah Supreme Court Case No. 20110326-SC.

The undersigned appreciates the indulgence of the Commission in prior extensions and it is apparent these are bearing fruit. The undersigned hereby represents to the Commission that the other parties to this action, namely Vineyard Town, Utah Department of Transportation and Utah Transit Authority, have each indicated their consent to this additional extension of time via email communications or telephone conversations with the undersigned. Anderson Geneva requests an additional extension of time of 60 days to continue settlement negotiations.

DATED this 24<sup>th</sup> day of January, 2012.
