Re: Notice of Sole Source Contract Extension with Codale Electric Supply Inc.

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into a sole source contract extension with Codale Electric Supply Inc. which exceeds \$500,000. The contract for electrical commodity items, which is being extended for one year, has a projected cost of \$1,345,681 for the period of the contract extension.

Codale Electric provides PacifiCorp electrical commodity items, including lamps, batteries, conduit, fuses, etc. for PacifiCorp's thermal plants and transmission and distribution service centers in Utah and southwest Wyoming. Codale's services include vendor managed inventory at PacifiCorp's plants and is the only vendor with branch offices in Price, Utah and Rock Springs, Wyoming. Codale Electric Supply, which is the largest electrical distributor in the intermountain west, was awarded the current supply agreement through a competitive bid in 2008. The contract will be competitively bid again in 2012.

The sole source contract extensions were authorized on March 24, 2011, by Joe Hickey, Procurement Director, Thermal Generation.
