**Re: Notice of Sole Source Contract with Power Source Services, Inc.**

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into an extension of two contracts with Power Source Services, Inc. which exceeds \$500,000. The contracts are for boiler emergent services at the Huntington and Hunter plants. The contracts have an estimated cost of \$1,551,222 and \$1,423,885 respectively through October 2011.

These contracts were initially awarded through a competitive bid in 2007. PacifiCorp and MidAmerican Energy Company intend to jointly put an aggregate contract out for bid in October 2011. The extension of these two contracts with Power Source Services, Inc. will align the renewal date of the contracts with similar MidAmerican contracts.

The contract extensions were authorized on October 25, 2010, by Darrell Cunningham, managing director, Huntington Plant, and December 22, 2010, by Laren Huntsman, managing director, Hunter Plant, PacifiCorp.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
