Re: Notice of Sole Source Contract with Industrial Services

Commissioners:

In accordance with the Company's procurement policy, we hereby notify you that PacifiCorp has entered into an extension of two contracts with Industrial Services which exceeds \$500,000. The contracts are for boiler emergent services at the Dave Johnston and Jim Bridger plants. The contracts have an estimated cost of \$1,003,609 and \$1,938,943 respectively through October 2011.

These contracts were initially awarded through a competitive bid in 2007. PacifiCorp and MidAmerican Energy Company intend to jointly put an aggregate contract out for bid in October 2011. The extension of these two contracts with Industrial Services will align the renewal date of the contracts with similar MidAmerican contracts.

The contract extensions were both authorized on October 20, 2010, by Rick Tripp, managing director, Dave Johnston Plant, and Robert Arambel, managing director, Jim Bridger Plant, PacifiCorp.

If you have any questions, please feel free to contact Dave Taylor at 801-220-2923.

Sincerely,

Jeffrey K. Larsen
Vice President, Regulation
