Re: Revised Utah 2010 Annual Report

PacifiCorp (dba Rocky Mountain Power) submits for filing an original and five (5) conformed copies of its Revised Public Service Commission of Utah Annual Report for 2010.

At the direction of the Commission, today the Company filed a revised version of PacifiCorp's December 2010 Semi-annual Results of Operations report and Cost of Service study for the Utah jurisdiction. Because of the revisions to the Results of Operations there is a small change to the system allocated revenues included in the Utah 2010 Annual Report, which was originally filed May 2, 2011.

It is respectfully requested that all formal correspondence and Staff requests regarding this filing be addressed to:
