RE: Norristown Telephone Company, LLC

Docket No. 11-999-03

Dear Ms. Orchard:

We are the attorneys for Norristown Telephone Company, LLC (hereinafter "Norristown"). On August 29, 2005, our firm provided the Public Service Commission of Utah ("Commission") with notice of Norristown's intent to provide intrastate telecommunications services within the State of Utah.

Norristown has no customers in Utah and no longer intends to provide intrastate telecommunications services in the State of Utah. Accordingly, we respectfully request that the Commission acknowledge Norristown's intent to no longer provide intrastate telecommunications services within the State of Utah by stamping the duplicate copy of this letter received and return same in the postage-paid envelope attached thereto.

Very truly yours,
