Re: IMPORTANT NOTICE REGARDING DISCONTINUANCE OF SERVICE

Dear Sir or Madam:

Effective October 31, 2011, XO Communications Services, LLC and its affiliates, XO Virginia, LLC, and Telecommunication of Nevada, LLC (collectively, "XO"), will no longer be providing to customers Calling Card Services. Calling Card Services enable enterprise customers to access a variety of services, including the ability to make long distance and international telephone calls, and to access certain enhanced features, such as message storage and broadcast, by dialing an access number and entering a PIN code when the customer is away from the office. XO has received notice from its underlying vendor for Calling Card Services that as of October 31st, such vendor will no longer be supporting Calling Card Services. In addition, XO is in the process of streamlining its product offerings. Accordingly, XO has decided to discontinue its Calling Card Services to better focus on those services most requested by our customers. You are receiving this notice because your company appears in XO's records as a "customer-of-record" of Calling Card Services. As a result, we are furnishing you with notice sufficient to allow you to evaluate alternative providers, if you currently are using this service.

The Federal Communications Commission will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, 445 12th Street, SW, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of XO Communications Services, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service. If you choose to do so, you may also contact your state's public utility commission. Please reference the following link for the contact information for your state's public utility commission: www.xo.com/callingcard.

If you have any questions, please contact your Customer Service Manager or Customer CARE at 800-424-0583. We thank you for your business and look forward to continuing to serve you in other capacities.

Sincerely,

XO COMMUNICATIONS
