In the Matter of)
Section 63.71 Application of)
ACN Communication Services, Inc.)
to Discontinue Services)

File No. _____

Section 63.71 Application of Communication Services, Inc. to Discontinue Services

ACN Communication Services, Inc. ("ACN" or "Applicant") hereby seeks authorization pursuant to Section 214 (a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, to discontinue its provision of calling card telecommunications services (including intrastate, interstate and international) to end-user customers throughout the United States.

Applicant is considered a non-dominant telecommunications carrier with respect to all of its services, including those affected by the proposed discontinuance. As detailed below, the Applicant estimates that 250 customers have used its calling card service in the past year. The Applicant will continue to provide non calling card local and long distance telecommunications services throughout its existing service area and these services will be unaffected by the proposed discontinuance.

ACN individually notified affected customers of its proposed discontinuance of calling card service via letter sent first class mail on September 28, 2011.

The applicant provides the following information pursuant to Section 63.71 of the Commission's rules:

1. *Name and address of Carrier*

ACN Communication Services, Inc.
1000 Progress Place
Concord, NC 28025

Correspondence concerning this application should be sent to:

Sharon Thomas, Consultant to
ACN Communication Services, Inc.
Technologies Management, Inc.
2600 Maitland Center Parkway, Suite 300
Maitland, FL 32751
Telephone: 407-740-3031
Facsimile: 407-740-0613
E-Mail: stthomas@tminc.com

2. *Date of Planned Service Discontinuance, Reduction or Impairment:*

ACN proposes to discontinue supporting calling card services on October 31, 2011, or upon the Commission's approval of the discontinuance, whichever occurs later.

3. *Points of Geographic Areas of Service Affected:*

Applicant proposes to discontinue the provision of all calling card services (including intrastate, interstate and international) throughout the United States.

4. *Brief Description of Types of Service Affected:*

ACN will discontinue its voice calling card services. Calling cards have been issued, upon request, to residential customers who presubscribed to ACN's local and/or long distance telecommunications services. The calling cards are typically used by customers when they are not calling from a telephone that is presubscribed to their ACN services. These services are not prepaid; rather, customers are billed for the calls in arrears after the usage occurs.

5. *Brief Description of Dates and Methods of Notice to All Affected Customers:*

The Applicant has provided written customer notice of the planned discontinuance in accordance with the requirements of section 63.71 (a) of the Commission's Rules by notice dated September 28, 2011.

Notice was provided via letter sent first class mail to customers that have utilized ACN's calling card service within the past year. A copy of the customer notice is appended hereto as Exhibit A.

Notice has been sent to each of the state regulatory commissions, the state governors' offices and the Department of Defense, as required under Section 63.71, concurrent with this filing. A service list is provided in Exhibit B.

Conclusion

Pursuant to Section 214 (a) of the Communication Act of 1934, as amended, and 47 C.F.R. §63.71, ACN Communication Services, Inc. understands that this application will be automatically granted on the 31st day after the Public Notice is released, with no Commission notification to the Company, unless the Commission has notified the Company that the grant will not be automatically effective.

Dated this 17th day of Oct 2011.

Exhibit A

Customer Notice

September 28, 2011

Dear Valued Customer,

We hope you are enjoying the benefits of your ACN Local & Long Distance Service. ACN constantly reviews its plans to make sure we are providing you with the affordable and flexible calling plans you need and the most popular calling features you love.

ACN recognizes that you may rely on an alternate means of communication when traveling away from home, including mobile phones, text messages and other chat applications. ACN's calling card providers in the U.S. also recognize the shift in communication needs and have decided to discontinue offering the service.

Because we know that you have used our calling card service within the last year, we wanted to inform you of this change to our product offering. You may continue to use your existing calling cards through **October 31, 2011**. After that date, the calling card providers will discontinue the service, and your calling cards will no longer work. This discontinuance of calling card service will affect all ACN customers throughout the U.S.

If you do need a way to contact home when you travel, please take a look at ACN's other services that are available through your ACN Independent Business Owner, such as ACN Wireless. With choices between the nation's top carriers, ACN makes it easy to shop for the perfect carrier, phone and plan – including an option where no contracts are required.

ACN values your business and will continue to keep you informed when we adjust our service to better fit your lifestyle.

ACN Customer Care

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the \$63.71 Application of ACN Communications Services, Inc. 1000 Progress Place, Concord, NC 28025. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
